

# LONG TERM CARE OPEN ENROLLMENT

## SEPTEMBER 8 – 17, 2021

### Why Long-Term Care?

Effective January 1, 2022, all employees working in Washington state will be subject to a state mandated Long-Term Care tax (WA Cares Fund). If you have an individual long-term care policy, you may be able to opt out.

Okta is offering employees voluntary coverage through Trustmark to provide you an opportunity to purchase Long-Term Care.
